### ATIVITY REPORT

Name of the Activity	Data Analytics in Pharamcy	
Type of Activity	ICT/Computing Skills	
Date and Time of Activity	24/09/2023	10:00am
Details of Participants	25	
Resource Person	Mr . Bhute Govind	
Description	<p>On September 24, 2023, DJPS College of Pharmacy hosted a groundbreaking event titled "Data Analytics in Pharmacy" at 10:00 AM, focusing on advancing computing skills in the context of pharmaceutical education. The program aimed to equip students with the knowledge and tools necessary to harness data analytics for enhanced decision-making in pharmacy practice. Attendees engaged in hands-on workshops, delving into the application of analytics tools for optimizing drug management, patient outcomes, and operational efficiency within pharmacy settings. Renowned experts in the field shared valuable insights, emphasizing the role of data-driven strategies in shaping the future of pharmaceutical care. This initiative showcased DJPS College's commitment to integrating cutting-edge computing skills into the pharmacy curriculum, ensuring that students are well-prepared to navigate the evolving landscape of healthcare through the power of data analytics.</p>

Type of Activity	ICT/Computing Skills	
Date and Time of Activity	15/02/2022	10:30am
Details of Participants	25	
Resource Person	Miss .Hajare Dharti	
Description	On February 15, 2022, DJPS College of Pharmacy organized a fundamental computing skills event focusing on "Internet Browsing and Email Communication" starting at 10:30 AM. Geared towards enhancing the digital proficiency of students, the session provided practical insights into effective internet navigation and professional email communication. Attendees gained hands-on experience in navigating online resources efficiently and learned best practices for composing and managing emails in a professional setting. The event aimed to empower students with essential skills for academic research, communication, and future professional endeavors. DJPS College demonstrated its commitment to equipping students with the practical computing skills necessary for success in the digital age, ensuring they are well-prepared for the demands of contemporary pharmacy education and practice.

Description	<p>On March 22, 2021, DJPS College of Pharmacy conducted a foundational computing skills event focusing on "Basic Computer Skills and Word Processing," commencing at 9:30 AM, featuring a special felicitation of the resource person by the principal. The program aimed to equip students with fundamental computer literacy, emphasizing essential skills for word processing. Attendees participated in hands-on training sessions, covering basic computer operations, file management, and proficiency in word processing software. The felicitation ceremony added a special touch, acknowledging the expertise and contribution of the resource person in enhancing the computing skills of the pharmacy students. This initiative underscored DJPS College's commitment to providing a well-rounded education by ensuring that students are adept not only in pharmaceutical knowledge but also possess the necessary foundational computing skills for their academic and professional pursuits.</p>

Type of Activity	ICT/Computing Skills	
Date and Time of Activity	24/12/2020	9:30am
Details of Participants	25	
Resource Person	Miss.Kawale Pooja	
Description	<p>On December 24, 2020, DJPS College of Pharmacy organized a specialized event titled "ICT on Uses and Application of Animal Stimulator" at 9:30 AM, emphasizing computing skills in the realm of pharmaceutical education. The program delved into the application of Information and Communication Technology (ICT) in the pharmaceutical context, specifically focusing on the uses and applications of animal stimulators. Attendees engaged in practical sessions exploring how ICT tools enhance research methodologies involving animal models in pharmaceutical studies. The event aimed to bridge the gap between traditional pharmaceutical practices and cutting-edge technology, ensuring that students are well-versed in utilizing computing skills for advanced research in pharmacology. DJPS College demonstrated its commitment to staying at the forefront of technological integration within pharmaceutical education, preparing students for a future where computing skills are integral to innovative advancements in the field.</p>
